

Cleaning Matters

Keep your office CLEAN and employees SAFE.

Cleaning and disinfection have never been more important than they are right now. At Corvus, we are attentive to the details - our office cleaning services are tailored to each individual work-space's needs because we believe in cleaning corners, not cutting them.

Each Corvus client receives a customized office cleaning program. We provide a thorough and customized quote for you to make the right decisions for your business. At Corvus, we are here to be your long-term partner.

Industries we serve

We care about your business

Corvus understands that not every space is the same. Some commercial spaces we service include:

- ✓ Office Spaces
- ✓ Educational Facilities
- ✓ Medical Facilities
- ✓ Fitness and Recreation
- ✓ Auto Dealerships
- ✓ Places of Worship
- ✓ Industrial Facilities
- ✓ Warehouses

“ We have been using Corvus for almost a year and we have been extremely pleased with their services. Any requests are promptly addressed and the communication book is an excellent way to reach the cleaning crew.

We offer the highest quality commercial cleaning services

Hospital-Grade Disinfectants

Our local technicians use EPA approved disinfectants to eliminate harmful bacteria and germs, giving you peace-of-mind that your facility is safe.

Electrostatic Spraying

We use state-of-the-art equipment to apply cleaners, sanitizers, and disinfectants across any type of surface.

Sanitizing

Corvus focuses on “high-touch” points like elevator buttons, door knobs, toilet handles, faucets, phones, and other surfaces that are routinely contacted.

Dusting

We thoroughly dust and clean all horizontal surfaces in offices and cubicles: partitions, ledges, desks, tables, and counter tops using a “high-to-low” technique.

Floor & Carpet Care

Our team provides enhanced floor care for all types of material. From carpet, to hard wood, to VCT, we have a solution to make your floors look brand new.

And More...

Including trash removal, restrooms, window cleaning, supply replenishment, day-porting, and power washing.
