Intercept Micro® Filter: 3.25 qt. / 248 sq. in.
Four Level® Filtration w/HEPA Media: 393 sq. in. total media

PERFORMANCE • FUNCTION • RELIABILITY

*All specs are based on motor specs.

Warranty*

3 years on parts, labor, motor and molded body parts.

*see owner's manual for complete warranty details.

Advantages

Floating powerhead automatically adjusts to different flooring surface heights.

Automatic shut-off switch activates if brush roll jams or Intercept Micro Filter is not in place.

High performance dual-motor system maintains constant power flow to both the powerhead and the suction motor.

Electronic System Performance Indicator alerts the operator to a full filter, airflow restriction or jammed brush roll.

Wrap around bumper guard for protection of furniture and baseboards.

Easily cleans under beds and furniture with low profile, L-shaped powerhead.

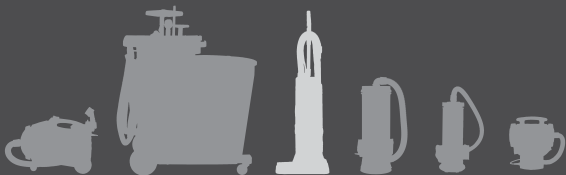

Organically treated Intercept Micro Filters, along with our Four Level Filtration system, are up to 99.77% efficient at capturing dust mites, pollen, bacteria and other particulates measuring 1 micron and larger.

Light weight construction allows for easier operation and less operator fatigue.

The ProForce has earned the Bronze Seal of Approval/Green Label from the Carpet and Rug Institute (CRI), signifying that the vacuum system meets higher standards for carpet cleaning effectiveness and indoor air quality.

Meets the requirements of the U.S. Green Building Council's LEED rating system for Green Cleaning – Sustainable Cleaning Equipment.

Easily accessible on-board tools with a convenient quick release wand for detail cleaning and hard-to-reach areas (*ProForce 1500XP only*).
