

GREEN EARTH® PEROXIDE CLEANER

This product can be used throughout the facility. Its many uses include tile and grout, floors and carpets, and can even be used on glass. It removes mold stains and soap scum. The ingredient Hydrogen Peroxide allows it to clean without the fumes associated with aggressive acids. Green Earth® Peroxide Cleaner whitens grout as effectively as cleaners that contain bleach, but is less aggressive on clothing and has a longer shelf life than traditional bleach cleaners.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Hotels
- Health clubs
- Nursing homes
- Restaurants
- Resorts
- Schools
- Office buildings

Performance Benefits

- Cleans and whitens tile and grout surfaces without aggressive acids or bleach.
- Will not damage clothing like traditional bleach cleaners.
- Removes mineral deposits and soap scum from a variety of bathroom surfaces.
- Restores restroom floor surfaces, can be applied with a mop or used through an automatic grout scrubbing machine.
- Completely removes stubborn carpet stains.
- Deodorizes with a pleasant scent.
- Concentrated for low end-use cost.

Environmental Benefits

- Non-corrosive and non-fuming.
- Non-solvent. No nonylphenol ethoxylates or 2-Butoxyethanol.
- Low skin, eye and respiratory irritation.
- All ingredients are readily biodegradable.

Properties

Color	Green
Odor	Fresh Mint
Detergency	Excellent
Foaming	Moderate - High
pH	6.5 - 7.0
Wetting	Excellent
Rinsability	Excellent
Shelf life	1 year

Directions For Use

Read the entire label before using this product. Not effective against rust stains. Dilute with cold water only. For HEAVY SOILS dilute 1:10 or 12 oz./gal. For MEDIUM SOILS dilute 1:20 or 6 oz./gal. For LIGHT SOILS (Including Glass) dilute 1:64 or 2 oz./gal. SHOWERS: For large areas use a portable pump up sprayer. Spray on tile, grout, fixtures and tub surfaces. Let stand for 5 minutes and rinse. For heavier stains agitation with a brush or sponge may be necessary to completely remove the stain. FLOORS: Add directly to grout scrubber for removal of mold stains, soap scum, hard water deposits, or other common restroom soils. CARPETS: For coffee as well as other water based stains. Apply a small amount of liquid to the stain. Agitate with a bone scraper and let stand for 3 - 5 minutes. Blot dry and rinse with clean water. Repeat as needed until the stain is completely removed. PRESPRAY: For use as a prespray, vacuum carpet. Dilute 1:20 with water. Apply at a rate of 50-100 sq. ft/gal. Let stand for 3-5 minutes before extracting. Always test first in an inconspicuous area. Apply a small amount, press with an absorbent white cloth for 10 seconds and see if there is any dye transfer. For chemical management systems, see specific directions on product label.

Safety

Keep out of reach of children. For institutional and commercial use. **WARNING: SKIN AND EYE IRRITANT.** Contains Hydrogen Peroxide. Avoid contact with eyes. Wear safety glasses and gloves. **FIRST AID: IF SPLASHED ON SKIN,** flush with large quantities of water. **IF SPLASHED IN EYES,** flush with a steady gentle stream of water for 15 minutes. Seek medical attention. **IF SWALLOWED,** do not induce vomiting. Seek immediate medical attention. **IF INHALED,** get to fresh air.
